

DOING A WORLD OF GOOD

Workers harvest Cabernet Sauvignon organic and fair traded grapes in the plantation of Jose Elias Palma Vallejos, Chile.

*Look for this label on
Fair Trade products*

Fair Trade helps producers in developing countries and promotes sustainability. The movement advocates the payment of higher prices to producers as well as social and environmental standards.

Fair Trade's strategic intent is to work with marginalized producers and workers in order to help them move towards economic self-sufficiency and stability. Liquor Marts is committed to Fair Trade and is proud to offer the largest selection of Fair Trade wines in Canada.

Visit www.liquormartsonline.com for more information on Fair Trade wines.

Please drink responsibly – Moderation tastes so much better
